MADISON NESTOR

ABOUT

Enthusiastic and customer-focused professional with experience in providing exceptional service in dynamic environments. Detail oriented and skilled in inventory management, point-of-sale operations, team management, and maintaining a clean and organized environment.

WORK EXPERIENCE

Taco Bell (Team Lyders) — **Lansing, Michigan**
https://www.tacobell.com/
September 2025 – Present

Crew Member

While at Taco Bell I ensure food safety, quality, and service goals are reached. This role requires me to adapt in order to maintain overall store efficiency.

Highlights

- Ensure all procedures are followed, including critical food safety, cleanliness, hospitality, and service.
- Train and support employees to reach store goals.

McDonald's (JMC Hospitality) — **Lansing, Michigan**
https://www.mcdonalds.com/
April 2025 – September 2025

Shift Manager

During my time at McDonald's I ensured food safety, quality, and service goals were reached. This role required me to delegate tasks and maintain overall store efficiency.

Highlights

- Ensure all procedures are followed, including critical food safety, cleanliness, Hospitality, and service.
- Train, coach, and coordinate employees to reach store goals.

September 2021 – October 2022

Technical Support Specialist

Adna Technologies — **Lansing, Michigan**
A fully managed IT (MSP) company.
https://www.teamadna.com/
March 2018 – May 2020

Help Desk Specialist

Meijer — **Lansing, Michigan**
A Midwestern American retail chain.
https://www.meijer.com/
September 2017 – February 2018

Cashier, customer service, etc.

During my time at Meijer, I gained hands-on experience in various retail operations, contributing to a positive customer experience and the efficient running of the store. As a cashier, I accurately processed transactions, handled customer inquiries, and maintained a fast-paced, friendly checkout environment. I also collected carts from the parking lot, ensuring a clean and safe shopping environment for customers. In addition to cashier duties, I helped stock shelves, organizing and replenishing merchandise to ensure product availability and maintain a neat and orderly store layout. At the customer service desk, I assisted customers with returns, exchanges, and inquiries, addressing concerns and resolving issues in a professional and efficient manner.

Highlights

- Cross trained as cashier, customer service, carts return, and product stock.

Jurassic Quest — **Travel**
A traveling dinosaur exhibit.
https://www.jurassicquest.com/
May 2016 – February 2017

Electrical and IT

Burger King Corporation — **Tacoma, Washington**
https://www.bk.com/
January 2012 – April 2016

Shift Manager

During my time here, I followed and enforced health and safety regulations. I was also responsible for tracking company cash, product, and employees. This role required me to delegate tasks and maintain overall efficiency. I also ensured accurate data entry into point of sale software.

> Madison does a stellar job of staying on top of new functionalities that are otherwise complex for the average user.
> — Laura Demetrious
