Work Experience

Prompt Trainer

Dec 2024 - Apr 2025

at Outlier AI • outlier.ai

- Write and optimize prompts to train LLMs and AI chatbots.

Documentation Technical Lead

Jul 2022 - May 2024

at ClickFunnels • clickfunnels.com

- Collaborate across teams, including engineering, marketing, ops, and other subject matter experts to ensure timely updates and coverage of new features for support teams and a diverse range of end users.
- Lead efforts to restructure content for improved usability, accessibility, and efficiency.
- Create and maintain a Help Center and Knowledge Base using a docs-as-code workflow.
- Create training materials for other writers and staff members.
- Draft, review, revise, and approve new and existing documents while meeting deadlines.
- Develop scripts, using Python, JavaScript, and more, for detailed and accurate reporting with Microsoft Excel compatible spreadsheets, automation, testing, and publishing via API.
- Use Microsoft Word compatible documents for drafts, reviews, comments, etc.

Technical Support Specialist

Sep 2021 - Oct 2022

at ClickFunnels • clickfunnels.com

- Provide world-class technical support for a SaaS platform to various entrepreneurs of varying skill levels.

Help Desk Specialist

Mar 2018 - May 2020

at Adna Technologies • teamadna.com

- Created and maintained detailed documentation and notes, improving efficiency and ensuring high-quality customer support.
- Developed PowerShell scripts and custom tools, maintained with Git, to improve efficiency and automation.
- Administrate and utilize Microsoft Office and Sharepoint for file sharing, collaboration and organization.
- Administrate and utilize Microsoft Outlook for communication across multiple businesses.

Electrical and IT

May 2016 - Feb 2017

at Jurassic Quest • jurassicquest.com

- Set up, configure, and troubleshoot wireless networks, computers, and devices, ensuring smooth operation of life-size animatronics and attractions.
- Build and maintain an educational trivia game with a Raspberry Pi using GPIO, Bash, Python, HTML, CSS, and JavaScript.

Projects

cf2-docs

Jan 2024 - May 2024

for ClickFunnels • github.com/mtthwnestor/cf2-docs

ClickFunnels Help Center content.

- Implemented and trained others to use a docs-as-code workflow.

Education

Decatur High School 2007 - 2011 dhs.fwps.org
